

DDP # 1080-63

1 August 1963

MEMORANDUM FOR: Director of Training

SUBJECT: CIA Participation in Interdepartmental Country Team Seminar

REFERENCE: (a) DDP Memo to DDCI dated 23 April 1963, same subject
(b) DDCI Memo to DDP dated 3 July 1963, same subject

1. In reference (a) the DDP proposed reducing the quota of CIA officers attending the Interdepartmental Country Team Seminar from 8 to 4 per course. The DDCI's response, reference (b), directed continuation of the CIA quota of 8 students per course but authorized the allocation of 50% of this quota to other components of the Agency. Copies of reference (b) were sent to DDI, DDR, and DDG.

2. Since inception of the Interdepartmental Country Team Seminar the undersigned has assumed responsibility for procuring CIA students to attend. During this time, over 90% of the participants were Clandestine Services officers, thus supervision by the DDP/TRO was appropriate. In future presentations of the Interdepartmental Country Team Seminar it is expected that other components of the Agency will provide four students and the Clandestine Services will provide at least four students in order that the CIA quota may be filled. With this broadening of responsibility within the Agency for support of the Seminar, it is suggested that the OTR Registrar coordinate this effort levying the above-mentioned requirement upon the Senior Training Officers of each component.
